

A total property solution.

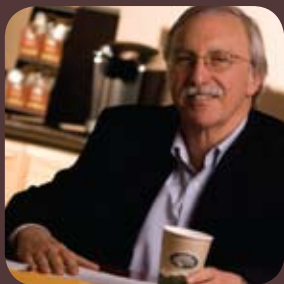

Great coffee makes your guests feel welcome throughout your property.

Let us create a customized, comprehensive hospitality program with you. One call takes care of all of your coffee needs.

“We serve Green Mountain Coffee in as many places on property as possible — in both restaurants, in the lobby, and of course, in-room! You make our guests’ stay that much more memorable.”

Jill Vespa, Director of Operations,
The Inn at Essex

◎ Green Mountain Coffee® has turn-key coffee programs for every area of your property.

- Award-Winning Coffees – Your guests deserve the very best. Serve them coffee they will remember long after they’ve gone home.
- Best-in-Class Equipment – Whether you’re brewing a single cup, a pot, or several gallons at a time, we have the equipment to meet your needs.
- Extensive Variety – We have an array of hot & iced coffees, teas, and cocoa.
- Branded Support Materials – Let your guests know you’re serving them award-winning coffees with branded support materials (table tents, coffee menu inserts, branded condiments).

◎ From check-in to check-out, we can help you create a world-class coffee experience for your guests.

- In-Room
- Restaurant
- Room Service
- Catering
- Lobby
- Gift Shop
